

WCS Extra-Curricular Costs 2016-2017

Name: _____

Grade: _____

Please print one worksheet per student.

WCS offers many activities to students that are not covered by tuition. There are numerous opportunities to participate in sports and activities. We want our families to be able to properly budget for these activities. Families may opt to have the costs of certain activities and sports included in their tuition and have those costs spread out over their payment plan (10, 11, or 12 months). Please complete this form (one per student) and turn it in with the other registration materials, tuition agreement and fees. Parents may also opt to pay for the sports as they occur rather than include them in with tuition.
