

**WOODLAND CHRISTIAN  
COUNSELOR NEWS  
AUGUST/SEPTEMBER**

**CARDINALS**

Dear WCHS Families,

Welcome back! I hope you had a chance to relax and recharge. It is a blessing to be returning this school year as your child's guidance counselor. It is my goal to help, guide and support each student and their family as you navigate high school and plan for what lies beyond. I love getting to know students and helping them discover their God given talents, abilities and passions. A major part of my job will include developing a 4 year high school plan for each student. I want students to have a variety of options available to them after high school and I will do my very best to see that they have met the requirements for the different colleges and universities. I look forward to partnering with parents in this process through individual meetings with all 9th grade students and at our college information nights. Please feel free to contact me if you have any questions. Thank you for allowing me to be part of your child's education. It is a great privilege and I give God thanks for this opportunity.

**PARENTS ARE INVITED...**

**Plan on attending our Christian College Fair!  
TUESDAY, SEPTEMBER 15 FROM 9-11**

A college fair gives you the chance to talk to representatives from many Christian colleges and universities in a short period of time. That way, you can get the information you need to create a list of schools you're interested in researching further. College fairs also allow you to discover specific things you want to know instead of just reading general information in brochures and online. And, if you have a strategy in place, going to a college fair can be a good way to see schools "close up." This can really focus your college search by helping you figure out what schools might be good to consider and which ones aren't a good fit for you. Although college visits are the best way to learn more about a school you're really interested in, a college fair can be the next best thing. It's a way to talk face-to-face with people from a school.
